## President's Report

June 2025

Corvette cruising season is well underway with the many cruises that John H has organized. Last month saw two cruises, one cruise to Rice Lake and the other to Uxbridge. Both cruises were very well attended!

It was great to see so many of our club members at the Trim Tech open house. It's good to show support for a long-time sponsor of Corvettes of Durham. Trim Tech raised a lot of money that day for Kerry's Place for Autism Services

Our next General Meeting will be at Royal Ashburn Golf Club on June 18<sup>th</sup>.

Brian & Linda will host a barbecue at their place on June 28<sup>th</sup>.

All events and cruises are listed in the calendar at the end of this newsletter, so be sure to check it out.

Our DreamVettes and All GM Show will be on June 22<sup>nd</sup> at Ontario Motor Sales. Thank you very much to the members who have donated prizes or solicited companies for donations!! If you are planning to donate a prize, please let me know so I can plan the raffle prize table. Also thank you to those who have volunteered your time to help at the show. We still need more volunteers, so please let me know if you can help out. Fingers crossed for awesome weather on June 22<sup>nd</sup>!!

Cheers!

Anne Halverson

# Slabtown Cruise

## SLABTOWN

I'm convinced that Corvettes of Durham members are "tough"! Our cruise to Slabtown on May 24th had to be the coldest, wettest day of the spring so far!

But it didn't dampen our club members - definitely not. Thirty-four members met in Uxbridge and more than half arrived in Corvettes. Can you imagine the number of car washes on Sunday?

Some of us showed up in steel cars but several others braved the elements and followed John on a scenic cruise through Durham.

Slabtown had reserved parking for the Corvettes. Good thing too because the restaurant and the parking lot filled up to capacity. We were in the tent. It was a little cool, but the food and service was fantastic, as always.

It was nice to see everyone, especially some of the members we don't always see on a regular basis.

It looks like this cruise just might be an annual event.

## **Hy-Hope Farm for Lunch**

Dave and Carol, the owners of Hy-Hope Farm, would like us to come to their patio for an afternoon of entertainment. They always treat us well and provide a good time.

I promised this time I wouldn't arrange the parking. I'm still hearing about how I parked everyone so far away from the action. It appears they would like them to be parked closer to the patio. I'll need a volunteer to check out the parking ahead of time.

I'll send out an email notice closer to the date with more details. Hy-Hope's customers really enjoy seeing the Vettes so Dave and Carol

### **Theft at Bowling Green Plant**

BOWLING GREEN, Ky. (WBKO) - A group effort amongst area police led to the recovery of eight stolen corvettes from the GM Assembly Plant in Bowling Green.

Bowling Green Police Department Public Information Officer, Ronnie Ward, said the individuals were attempting to move the cars out of town when they caught one of the thieves.

He is charged with:

Receiving stolen property of \$10,000 or more

Fleeing or evading police

Resisting arrest

Police are working to identify the others involved with Walker during the incident.

# Trent Hills Cruise

The warmth of the early May sun took the chill out of the air as the COD members socialized in the parking lot at Taunton and Harmony before leaving for the cruise to McGillicafey's Pub and Eatery in Hastings. The seventeen Corvettes headed north, driving through scenic rural southern Ontario towns. The classic farmhouses from the early 1900's in Solina were surrounded by the blooms of yellow forsythia bushes and the lime green foliage of the willow trees. Further on, the drivers skillfully navigated through the traffic circle in Enniskillen, which was reminiscent of Bomanville Avenue/Regional Road 57 and Durham Regional Road 20. Jan and Dave had set up a large Canadian flag to greet us as we drove by. It was wonderful that they were able to participate in the cruise.

As we drove through the Kawartha Lakes towns, names such as Ballyduff paid homage to the resilience of the early settlers from Ireland and Great Britain. Driving north on Hwy 35, we witnessed the trees which had fallen victims to the late March ice storm. In Omemee there was a sign and a painting on the side of a building proudly boasting that the town was the birthplace of Neil Young. Of the ubiquitous roundabouts in Europe. When the Corvette procession finally arrived in Hastings, the cars were parked on the street, and we proceeded to McGillicafey's Pub and Eatery. The centre part of the restaurant had been reserved for the club so there was plenty of space. Food and drink orders were taken promptly, and the beverages and meals were served quickly and efficiently. Everyone enjoyed their meals while taking the opportunity to reconnect after a long winter.

Thank you to Judy and John Heinrichs who organized and planned the cruise so that the participants could enjoy a day of adventure and camaraderie.
