President's Report

January 2025

The New Year is a time to celebrate past accomplishments and look forward to future success. Looking back at 2024, Corvettes of Durham had many accomplishments to celebrate. Our club held a successful DreamVettes show in June. We had many cruises as a club and attended other club's car shows and charitable events. We donated \$1,500 to the RS McLaughlin Durham Regional Cancer Centre and we donated \$500 to the Durham Humane Society along with many bags of pet food and other supplies. Corvettes of Durham had a very successful year in 2024 and we accomplished a lot!

Building on last year's accomplishments, we have much to look forward to in 2025. Our DreamVettes show is scheduled for June 22nd and before that we'll enjoy Motorama, cruises and social events. Stay tuned for another busy Corvette season.

All events are listed in the calendar on the last page of our monthly Newsletters. Our Newsletters are designed to celebrate the Corvette in general and our club in particular. I hope you take the time to enjoy the contents of our Newsletter every month. Thanks to John Fletcher for preparing it on our behalf.

Have a wonderful, prosperous new year!

Cheers!

Corvettes of Durham

Annual Christmas Party

Wooden Sticks Golf and Country Club

It was a festive evening of food, drinks and holiday fun. The weather was good for everyone travelling to Uxbridge. The private room was beautifully decorated for Christmas, with help from Susanne and there were many door prizes waiting to be won. The atmosphere was very festive.

We socialized until the food was ready. The food at Wooden Sticks is always good and this year was no exception. There was a good variety of salads, main dishes and yummy desserts.

Jan presented an award to Barb Fletcher for always stepping up when needed. Barb is the club's membership director; she has looked after the 50/50 draw for many years and has always volunteered at DreamVettes. Congratulations Barb! Your dedication is appreciated by all of us.

There were many door prizes, Ontario Motor Sales had donated many and others were donated by generous club members. It was fun watching almost everyone get called up to collect a prize. It was a fun night.

Thanks to Jan for organizing another awesome event for Corvettes of Durham!

Mecum Kissimmee Corvette Day – January 10th!

Leading up to Mecum Kissimmee, we're highlighting some amazing Corvettes hitting the auction block. Last time, we shared a list of Corvettes available on Corvette Day. If you missed it, catch up here: [Mecum Corvette Day 2025 Cars.](#)

The 1064 hp ZR1 runs the quarter mile in 9.6 secs at 150 mph

It seems the glory days of gasoline-fed factory V-8 performance aren't quite dead yet. Yeah, the powers that be keep trying to convince us that future is EV, or a maybe a turbo six cylinder if we're lucky, or anything other than the V-8s we love, but then we get rays of hope like the [Mustang GTD](#) or the 2025 C8 Corvette ZR1. Well, Chevrolet just announced performance numbers for the new gen LT7-powered 1,064 horsepower ZR1 'Vette and it can rocket from 0-60 in a scant 2.3 seconds! That would make it the [third quickest car ever tested by Motortrend](#), no small feet considering the instant torque of EVs.

Chevrolet also announced that the [ZTK-equipped ZR1](#) runs the quarter mile in 9.6 seconds at 150 mph! Even the standard ZR1 can sprint to 60 mph in 2.5 seconds and knock down 9.7 seconds in the quarter. And this was on pump gas and on a non-prepped drag strip wearing the factory tires. In the 9s right off the showroom floor is a concept we're down with!
