President's Report

July 2025

The DreamVettes and All GM Show of 2025 was a busy day. Luckily no rain, but it was a hot one. In addition to Corvettes, we had several GM cars and trucks attend our show.

Thank you to Ontario Motor Sales (OMS) for sponsoring our club. We are grateful that they actively assist us so that we can use their facility for our DreamVettes show. There's a lot of work on their end, for example, moving the dealership cars out of the lot, which must be time-consuming. They provide access to the building so that everyone can make use of the washrooms. Also, OMS makes a generous financial contribution to help pay our bills associated with putting on the show. Thank you

especially to Tyler Ashby for choosing the dealer's choice for each class of cars. OMS does a lot for our club and if you are considering buying a car, please give OMS a chance to earn your business.

We made a donation to the McLaughlin Durham Regional Cancer Centre. Our cheque was graciously accepted by Andrea Freund and Rebekah McMillan from the Lakeridge Health Foundation.

Thanks to Brian, Allan and their helpers for keeping everyone fed and hydrated. It was a very hot day to be barbecuing and they did a great job! We had an amazing selection of raffle and silent auction prizes! Thank you to everyone who donated a prize or solicited a prize from a company on behalf of Corvettes of Durham. Thank you to the many club members who volunteered their time to help. The show couldn't happen without many volunteers. Thanks to DJ Rick for playing a good selection of tunes.

Overall, it was a good show this year and we made a profit of just under \$1,000. Thanks to everyone who contributed.

A wonderful time was had by everyone who attended the barbecue at the Striemers' house. Thanks to Brian and Linda for hosting and thanks to the amazing cooks for the pizza, butter tarts, salads and yummy desserts.

Our next General Meeting will be at the Big M in Pickering on July 16th.

Corvettes of Durham has hit a milestone this year! It's our 25th anniversary as a club and Susanne is organizing a celebration for us on July 26th. We already have our 25th anniversary shirts to wear at the party.

Have a wonderful Canada Day!

Cruise to Peterborough

Sunday June 8th

Applewood Retirement Residence

18 Corvettes met at our usual location at Harmony and Taunton at 9am to cruise up to the Applewood retirement Residence in Peterborough. Thanks to John H for arranging the cruise route. Norby and fletch decided a free 407/115 cruise may be a little faster and arrived at Applewood early...as per the pic. Applewood had arranged for parking and this was their 'open house' on Sunday. The weather was good but lots of haze from the fires out west kept the temperature cool. Several residents came out to check out the cars and seemed to enjoy the display. Lunch was provided by Applewood and I hope Brian and Allan took notes on how to BBQ. It was good seeing Ken's friend Doug who has been helping out at Motorama for the past several years. Thanks to Ken for setting up the show and to Applewood for their hospitality...a really enjoyable day.

Andrea, Anne and Rebekah

Our 25th Anniversary DREAMVETTES Show took place on June 22nd at Ontario Motor Sales. On a very hot and humid day we had 55 vehicles registered for the show. Thanks to all who showed up at 7am to set up. The COD chefs Brian and Allan managed to cook up a storm without burning OMS to the ground. Peameal bacon for the early eater's and hamburgs and hotdogs for those who waited. Excellent job team! DJ Rick supplied the tunes and announcements for door prizes .Tyler from OMS selected the awards for C-1 to C-8 Corvettes and GM car and truck. Anne presented Tyler with a Sponsor Appreciation Plaque. Lakeridge Health was on site at 12pm and Anne presented our cheque for \$1500.00 to Rebekah McMillan and Andres Freund. Congrats to Ken who won C-5 and to Glenn who won C-8. Thanks to all the COD helpers who sold tickets, BBQ'd, gave out door prizes, registered vehicles, manned the draw tables, brought the coffee, donated prizes, parked cars and helped to set up and clean up after the show.

Hy-Hope Farm for Lunch

Dave and Carol, the owners of Hy-Hope Farm, would like us to come to their patio for an afternoon of entertainment. They always treat us well and provide a good time.

I promised this time I wouldn't arrange the parking. I'm still hearing about how I parked everyone so far away from the action. It appears they would like them to be parked closer to the patio. I'll need a volunteer to check out the parking ahead of time.

I'll send out an email notice closer to the date with more details. Hy-Hope's customers really enjoy seeing the Vettes so Dave and Carol

1,250 Horsepower. Electrified AWD. 0–60 in Under 2 Seconds

Just when we thought the C8 Corvette lineup couldn't get any crazier, Chevrolet dropped a bombshell. Meet the 2026 Corvette ZR1X, the new top dog in the Corvette family, and possibly the most unhinged production car GM has ever built.

It's got the numbers to back up the hype. 1,250 horsepower. All-wheel drive. Twin turbos. A front electric motor. And Chevy says it'll hit 60 mph in under two seconds. Not a typo. Not a maybe. Just pure, jaw-dropping speed.

We're not sure what's wilder—the specs or the fact that this thing's actually going into production. This is Corvette off the leash.

A 1,064-hp twin-turbo LT7 V8 out back.

A 186-hp electric motor up front, juiced by an upgraded 1.9-kWh battery.

Total system output: 1,250 horsepower and 973 lb-ft of torque.

Electrified all-wheel drive that claws the pavement at every launch.

0–60 mph in under 2 seconds.

Top speed: 233 mph.

Quarter-mile: sub-9 seconds, if your spine can handle it.

WHITBY MARINE PRODUCTS

Why Car Enthusiasts Are Turning to Whitby Marine Products for Unmatched Protection and Shine

When you think of "marine-grade," you probably picture salt spray, roaring waves, and the toughest conditions on Earth. But what if we told you that the same high-performance standards trusted by boat owners and commercial mariners are now gaining traction among car lovers?

Whitby Marine Products, Canada's go-to source for premium marine coatings and accessories, is making waves on land—and for good reason.

Built for the Ocean, Perfect for the Road

Car enthusiasts understand the value of long-lasting protection and showroom-level shine. **Whitby Marine Products** specializes in ultra-durable coatings, polishes, and sealants designed to withstand extreme UV, water, and corrosion—conditions even harsher than a Canadian winter. If these products can protect a vessel in open water, imagine what they can do for your ride.

From high-end show cars to daily drivers, customers are using Whitby's ceramic coatings and detailing solutions to protect paintwork, chrome, wheels, and glass from the elements—and getting that deep gloss finish car owners crave.

The Secret Weapon in Car Detailing

Professional detailers and DIY car buffs alike are raving about the marine-to-automotive crossover. Whitby's lineup includes:

Ceramic Coatings: Ultra-hydrophobic, long-lasting protection that repels dirt, road salt, and contaminants.

Polishes and Cleaners: Engineered to cut through grime and oxidation without harming delicate finishes.

UV-Resistant Sealants: Keeps your paint job vivid, even under relentless sun exposure.

The result? Cars that not only look stunning but stay protected year-round—with fewer washes and touch-ups.

Trusted by Professionals, Now Available to Everyone

Whitby Marine Products isn't just a supplier—they're a trusted partner to commercial boaters, marina operators, and now a growing number of automotive detailers across Canada and beyond. They offer online ordering, fast shipping, and knowledgeable support that makes transitioning to marine-grade car care a no-brainer.

So, whether you're polishing your Sunday driver or winter-proofing your daily commuter, consider taking a page from the pros on the water. **Whitby Marine Products** delivers the kind of performance your vehicle deserves.

Ready to elevate your car care game?

Explore the full range at www.whitbymarineproducts.com and give your car the marine-grade advantage.

Striemer BBQ

Happy Canada Day... eh!!!

A great turnout of 19 corvettes graced the property of Linda and Brian Striemer for the 2025 COD summer bbq with several passing motorists stopping to take pictures. 43 members enjoyed great food including pizza made by John and Judy Heinrichs assisted by sous chefs Louise Striemer and Al Riding. John now has an unlisted number due to many calls for takeout orders.

Al Harris was chief of the bbq avoiding any crisp, burnt or overdone burgers.

He had practice at DREAMVETTES.

Lindsay and Brian fended off weak challenges by Dave and Ross to become Hammer Throw Champions and Josie and Bruce showcased their Corn Hole skills which was likely far easier for Josie than baking 50 butter tarts.

Dave donated his game of Washer Toss to COD's version of Olympic Games and he, along with Ross, were beaten by first time players.

A wonderful day with a fabulous turnout.

Linda Striemer
